

Gondrand planning été 2019

Cher Client,
Cher Partenaire,

Ci-dessous vous trouverez un update concernant nos services pendant la période vacancière de '19.

La plupart de nos lignes auront peu ou pas de changement par contre certaines destinations auront momentanément un flux moins fréquent.

Notre entrepôt sera aussi fermé plus tôt et sera opérationnel entre 08H00 et 18H00, ceci pour le mois d'aout.

En cas de questions ou remarques n'hésitez surtout pas à prendre contact avec la personne concernée chez Gondrand.
